

AFFORDABLE COMPLIANCE SOLUTION

Comprehensive Training for the **WHOLE** Dealership

The **ARMD Virtual Compliance Manager**[®] delivers automatic management of dealership policies and procedures backed by expert training and auditing oversight.

Dealers/Agents/F&I Product Providers trust our **online service** to do the heavy lifting — automatically — so you can focus on growing your business.

Compliance as easy as 1, 2, 3 – Name, Email, Job Description – We'll set up the rest!

COMPLIANCE IN 2020 — HOW WE DIFFER:

- Provides automated staff training on a reasonable but recurring basis to demonstrate acceptable subject matter standards.
- Reliable and repeatable application of compliance policies and procedures using an automated rules-driven technology platform.
- Audits are assigned on a predetermined, recurring schedule to the designated CCO.
- The **ARMD VCM**[®] includes a resource library that is regularly updated to reflect latest regulatory changes and best practices. It also includes a variety of templates (e.g. audit checklist) for use by dealership management and their legal counsel.
- Also includes a Report Suite that offers multiple reports on training and audit compliance performance.
- Flexible compliance solutions for your specific needs.
